## HOW TO CITE RULES AND RSMo

**RULES**—Cite material in the *Missouri Register* by volume and page number, for example, Vol. 26, *Missouri Register*, page 27. The approved short form of citation is 26 MoReg 27.

The rules are codified in the *Code of State Regulations* in this system—

Title	Code of State Regulations	Division	Chapter	Rule
1 Department	CSR	10- Agency, Division	1. General area regulated	010 Specific area regulated

They are properly cited by using the full citation , i.e., 1 CSR 10-1.010.

Each department of state government is assigned a title. Each agency or division in the department is assigned a division number. The agency then groups its rules into general subject matter areas called chapters and specific areas called rules. Within a rule, the first breakdown is called a section and is designated as (1). Subsection is (A) with further breakdown into paragraph 1., subparagraph A., part (I), subpart (a), item I. and subitem a.

**RSMo**—Cite material in the RSMo by date of legislative action. The note in parentheses gives the original and amended legislative history. The Office of the Revisor of Statutes recognizes that this practice gives users a concise legislative history.

**R**ules appearing under this heading are filed under the authority granted by section 536.025, RSMo 2000. An emergency rule may be adopted by an agency if the agency finds that an immediate danger to the public health, safety or welfare, or a compelling governmental interest requires emergency action; follows procedures best calculated to assure fairness to all interested persons and parties under the circumstances; follows procedures which comply with the protections extended by the *Missouri* and the *United States Constitutions*; limits the scope of such rule to the circumstances creating an emergency and requiring emergency procedure, and at the time of or prior to the adoption of such rule files with the secretary of state the text of the rule together with the specific facts, reasons and findings which support its conclusion that there is an immediate danger to the public health, safety or welfare which can be met only through the adoption of such rule and its reasons for concluding that the procedure employed is fair to all interested persons and parties under the circumstances.

**R**ules filed as emergency rules may be effective not less than ten (10) days after filing or at such later date as may be specified in the rule and may be terminated at any time by the state agency by filing an order with the secretary of state fixing the date of such termination, which order shall be published by the secretary of state in the *Missouri Register* as soon as practicable.

**A**ll emergency rules must state the period during which they are in effect, and in no case can they be in effect more than one hundred eighty (180) calendar days or thirty (30) legislative days, whichever period is longer. Emergency rules are not renewable, although an agency may at any time adopt an identical rule under the normal rulemaking procedures.

**Title 11—DEPARTMENT OF PUBLIC SAFETY**  
**Division 10—Adjutant General**  
**Chapter 5—Missouri World War II Veterans’ Recognition Program**

**EMERGENCY AMENDMENT**

**11 CSR 10-5.010 Missouri World War II Veterans’ Recognition Program.** The division is amending sections (1), (4), (6) and (8).

**PURPOSE:** This amendment extends the period for applying for World War II recognition awards and also amends the criteria for who can apply for awards.

**EMERGENCY STATEMENT:** This emergency amendment informs Missouri World War II veterans and their spouses that the period for applying for recognition awards has been extended and that the eligibility criteria and the World War II service dates have been revised. This emergency amendment is necessary because of the compelling governmental interest to honor Missouri’s 435,000 World War II veterans for their patriotic service to our state and nation and due to the age of these veterans is becoming critical. The law extending the application period through July 1, 2003 leaves little time to notify these veterans of their eligibility. Implementing an emergency amendment for the program will ensure that Missouri’s compelling need to recognize these veterans will be achieved in a timely and comprehensive manner. A pro-

posed amendment, which covers the same material, is published in this issue of the *Missouri Register*. The scope of this emergency amendment is limited to the circumstances creating the emergency and complies with the protections extended in the *Missouri* and *United States Constitutions*. The Office of the Adjutant General believes this emergency amendment is fair to all interested persons and parties under the circumstances. This emergency amendment is fair to all interested persons and parties under the circumstances. This emergency amendment was filed July 22, 2002, effective August 1, 2002 and expires February 27, 2003.

Applications must be submitted anytime after January 1, 2001, and before */January 1, 2002/ July 1, 2003*. Applications and service forms will not be returned and will become property of the state of Missouri.

(8) If any person dies after applying for a medallion *[or]*, medal and a certificate pursuant to sections 42.170 to 42.190, RSMo, and such person would have been entitled to the medallion, medal, and the certificate, the Adjutant General shall *[give]* award the medallion, medal, and the certificate *[to]* in the following order:

(A) To the spouse of the deceased veteran; or

**(B)** The person to whom the largest portion of the veteran's estate was given in such veteran's will./; or

**(C)** If the estate was split evenly among two (2) or more persons, *[the surviving spouse,]* the eldest living child or the closest relative by degree of consanguinity, in that order, shall receive the medallion, medal, and the certificate./; or

**(D)** If there is no will, the veteran's intestate survivor shall receive the medallion, medal, and the certificate.

*AUTHORITY:* section 42.175, RSMo 2000. Original rule filed Sept. 14, 2000, effective March 30, 2001. Emergency amendment filed July 22, 2002, effective Aug. 1, 2002, expires Feb. 27, 2003. A proposed amendment covering this same material is published in this issue of the Missouri Register.

**U**nder this heading will appear the text of proposed rules and changes. The notice of proposed rulemaking is required to contain an explanation of any new rule or any change in an existing rule and the reasons therefor. This is set out in the Purpose section with each rule. Also required is a citation to the legal authority to make rules. This appears following the text of the rule, after the word "Authority."

**E**ntirely new rules are printed without any special symbology under the heading of the proposed rule. If an existing rule is to be amended or rescinded, it will have a heading of proposed amendment or proposed rescission. Rules which are proposed to be amended will have new matter printed in boldface type and matter to be deleted placed in brackets.

**A**n important function of the *Missouri Register* is to solicit and encourage public participation in the rule-making process. The law provides that for every proposed rule, amendment or rescission there must be a notice that anyone may comment on the proposed action. This comment may take different forms.

**I**f an agency is required by statute to hold a public hearing before making any new rules, then a Notice of Public Hearing will appear following the text of the rule. Hearing dates must be at least thirty (30) days after publication of the notice in the *Missouri Register*. If no hearing is planned or required, the agency must give a Notice to Submit Comments. This allows anyone to file statements in support of or in opposition to the proposed action with the agency within a specified time, no less than thirty (30) days after publication of the notice in the *Missouri Register*.

**A**n agency may hold a public hearing on a rule even though not required by law to hold one. If an agency allows comments to be received following the hearing date, the close of comments date will be used as the beginning day in the ninety (90)-day-count necessary for the filing of the order of rulemaking.

**I**f an agency decides to hold a public hearing after planning not to, it must withdraw the earlier notice and file a new notice of proposed rulemaking and schedule a hearing for a date not less than thirty (30) days from the date of publication of the new notice.

Proposed Amendment Text Reminder:

**Boldface text indicates new matter.**

*(Bracketed text indicates matter being deleted.)*

**Title 4—DEPARTMENT OF ECONOMIC  
DEVELOPMENT**  
**Division 30—Missouri Board for Architects,  
Professional Engineers, [and] Professional Land  
Surveyors, and Landscape Architects**  
**Chapter 6—Fees**

**PROPOSED AMENDMENT**

**4 CSR 30-6.015 Application, Renewal, Reinstatement, Reregistration and Miscellaneous Fees.** The board is proposing to amend the division title, section (1) and add a new section (4).

**PURPOSE:** The Missouri Board for Architects, Professional Engineers, Professional Land Surveyors and Landscape Architects is statutorily obligated to enforce and administer the provisions of

*Chapter 327, RSMo. Pursuant to section 327.431, RSMo, the board shall by rule and regulation set the amount of fees authorized by Chapter 327, RSMo so that the revenue produced is sufficient, but not excessive, to cover the cost and expense to the board for administering the provisions of Chapter 327, RSMo. The board recently contracted with the National Council of Examiners for Engineering and Surveying (NCEES) to administer the Fundamentals of Engineering, the Principles & Practice of Engineering, the Fundamentals of Land Surveying and the Principles & Practice of Land Surveying examinations. Therefore, this rule is being amended to reduce the application filing fees of these particular examinations since these applicants will be required to reimburse the NCEES directly for test administration fees and the actual cost of the test booklet and the scoring of the examination. In addition, pursuant to the passage of HB 567, the Landscape Architect Council is abolished and the Missouri Board for Architects, Professional Engineers, Professional Land Surveyors and Landscape Architects is established. Thus, the following fees are also being amended to include the appropriate fees for the landscape architects.*

Insufficient funds are processed by the Account Clerk II by reviewing the initial application for licensure and updates the information in the computerized licensing system. The Office Support Assistant processes the request for reactivation by updating the information in the computerized licensing system. The figures below represent the personal service costs paid by the Missouri Board for Architects, Professional Engineers, Professional Land Surveyors and Landscape Architects for the initial licensure process.

**IV. ASSUMPTION**

1. The number of applications are based on actual figures from FY01 and projected figures in FY02.
2. Employee's salaries were calculated using their annual salary multiplied by 34.1% for fringe benefits and then were divided by 2080 hours per year to determine the hourly salary. The hourly salary was then divided by 60 minutes to determine the cost per minute. The cost per minute was then multiplied by the amount of time individual staff spent on the processing of applications or renewals. The total cost was based on the cost per application multiplied by the estimated number of applications.
3. It is anticipated that the total cost will recur annually for the life of the rule, may vary with inflation and is expected to increase annually at the rate projected by the Legislative Oversight Committee.

(C) The board of nursing will cooperate with the United States Immigration Service by advising it of the status of the applicant for nursing licensure if requested.

#### *//10// (9) Guidelines for Evaluating Intercountry Transcripts.*

(A) An applicant who has secured original licensure outside of the United States and has been licensed by examination in another state, territory or Canada may be licensed in Missouri if the applicant qualifies for licensure by endorsement from that state, territory or Canada under section (4). Each applicant under this section must cause a photostatic copy of a nursing transcript to be provided to the board office, except that RN applicants instead may cause the CGFNS to submit directly to the board office a CGFNS certificate indicating successful completion of the CGFNS examination in place of the school of nursing transcript.

(B) Guidelines for evaluating intercountry transcripts for professional/practical nurse applicants are the minimum standards for accredited schools in Missouri in effect at the time the candidate originally became licensed by examination in another state, territory or Canada or at the time of application.

#### *//11// (10) Licensure Renewal.*

(A) Renewal periods shall be for one (1), two (2), or three (3) years as determined by the board.

(B) The required fee shall be submitted prior to the date the license lapses.

(C) In answer to requests for information regarding an individual's licensure, the staff of the board will verify status and other information as deemed appropriate by the executive director.

#### *//12// (11) Inactive Licenses.*

(A) Any nurse possessing a current license to practice nursing in Missouri may place that license on inactive status by filing a written and signed request for inactive status with the board. This request may be accomplished, but need not be, by signing the request for inactive status which appears on the nurse's application for license renewal and returning that application to the board prior to the date the license has lapsed.

(B) Individuals wishing to reactivate licenses after being carried as inactive shall request a Petition for Renewal from the Missouri State Board of Nursing. Fees shall be accepted only if accompanied by a completed Petition for Renewal. Back fees shall not be required for the years the licensee's records were carried as inactive. The Petition for Renewal shall show, under oath or affirmation of the nurse, a statement—

1. That the nurse is not presently practicing nursing in Missouri; and

2. As to whether the nurse did practice nursing while the license was inactive and, if so, how long and where. If the nurse was practicing nursing in Missouri at the time his/her license was inactive, s/he also must submit a notarized statement indicating that s/he ceased working as soon as s/he realized that the license was inactive. In addition, the nurse must cause his/her employer to submit a statement on the employer's letterhead stationery or a notarized statement indicating that the nurse ceased working as soon as s/he realized that the license was inactive.

(C) No person shall practice nursing or hold him/herself out as a nurse in Missouri while his/her license is inactive.

(D) A nurse who petitions for renewal of an inactive license who answers yes to one (1) or more of the questions on the petition which relate to possible grounds for denial of renewal under section 335.066, RSMo, shall submit copies of appropriate documents related to that answer, as requested by the board, before his/her petition will be considered complete. The copies shall be certified if they are records of a court or administrative government agency. If a nurse requesting reinstatement of his/her inactive license is denied by the State Board of Nursing based upon the fact that the nurse is subject to disciplinary action under any provisions of Chapter 335, RSMo, the nurse shall be notified of the statutory right to file a complaint with the Administrative Hearing Commission.

(E) A nurse whose license is inactive for three (3) years or more shall file the petition, documents and fees required in subsection //12//(B) (11)(B). In addition, the nurse may be required to appear before the board personally and demonstrate evidence of current nursing knowledge and may be required to successfully complete an oral or written examination, or both, provided by the board or to present proof of regular licensed nursing practice in other states during that time period.

#### *//13// (12) Lapsed Licenses, When—Procedures for Reinstate- ment.*

(A) Pursuant to sections 335.056 and 335.061, RSMo, a license issued by the State Board of Nursing to an RN or LPN is lapsed if the nurse fails to renew that license in a timely fashion. A license renewal is timely if the nurse mails a completed application for renewal, accompanied by the requisite fee, in a properly stamped and addressed envelope, postmarked no later than the expiration date of the nurse's current license. No person shall practice nursing or hold him/herself out as a nurse in Missouri while his/her license is registered with the State Board of Nursing as being lapsed.

(B) A nurse whose license has lapsed in Missouri for fewer than thirty (30) days may obtain renewal of that license by mailing the requisite fee to the proper address and postmarked no later than the thirtieth day of lapse. Satisfactory explanation of the lapse will be presumed. The State Board of Nursing, in its discretion, may not renew the license of any nurse who is subject to disciplinary action under Chapter 335, RSMo, but the board shall advise the nurse of the statutory right to file a complaint with the Administrative Hearing Commission.

(C) A nurse whose license has lapsed in Missouri for thirty (30) days or more, but fewer than three (3) years, must petition the State Board of Nursing for renewal of the license on a form furnished by the board. Accompanying the petition shall be a late renewal fee *of thirty dollars (\$30)* and the fee for the current renewal period **as outlined in 4 CSR 200-4.010**. If the nurse has practiced nursing in Missouri while the license was lapsed, in order to renew, the licensee must pay the lapsed fee, the renewal fee for each year s/he practiced nursing in Missouri and the fee for the current renewal period. This petition shall show under oath or affirmation of the nurse—

1. A statement that the nurse is not presently practicing nursing in Missouri;

2. A statement as to whether the nurse did practice nursing while the license was lapsed and, if so, how long and where; and

3. If the nurse was practicing nursing in Missouri at the time his/her license was lapsed, s/he must submit a notarized statement indicating that s/he ceased working as soon as s/he realized that the license was lapsed. In addition, the nurse must cause his/her employer to submit a statement on the employer's letterhead stationery or a notarized statement indicating that the nurse ceased working as soon as s/he realized that the license was lapsed.

(D) A nurse whose license is lapsed for three (3) years or more shall file the same petition, documents and fees required in subsection */(13)(C)* **(12)(C)**. In addition, the nurse may be required to appear before the board personally and demonstrate evidence of current nursing knowledge and may be required to successfully complete an examination provided by the board or by proof of regular licensed nursing practice in other states during that time period.

(E) Upon satisfactory completion of the requirements specified in subsections */(13)(B)-(D)* **(12)(B)-(D)** which are pertinent to that nurse, the board reserves the right to refuse to reinstate the lapsed license of any nurse, including one who is subject to disciplinary action under any provisions of Chapter 335, RSMo, which includes disciplinary action for practicing nursing without a license while that license is lapsed. A nurse who is petitioning for renewal of a lapsed license who answers yes to one (1) or more of the questions on the petition which relate to possible grounds for denial of renewal under section 335.066, RSMo, shall submit copies of appropriate documents, as requested by the board, related to that answer before his/her petition will be considered complete. The copies shall be certified if they are records of a court or administrative government agency. If a lapsed license is not reinstated, the board shall notify the nurse of the fact and the statutory right to file a complaint with the Administrative Hearing Commission.

(F) If any provision of this rule is declared invalid by a court or agency of competent jurisdiction, the balance of this rule shall remain in full force and effect, severable from the invalid portion.

*/(14))* (13) Duplicate Licenses. A duplicate license, marked duplicate, may be issued in the event the original becomes lost or destroyed, or if the licensee requests a duplicate license due to a name change. The licensee must notify the Missouri State Board of Nursing and a form will be forwarded for completion and notation. A fee will be charged for the duplicate.

*/(15))* (14) Change of Name, Address, or Both.

(A) Original License. The original license may not be altered in any way; it must remain in the name under which it was issued.

(B) Current License.

1. If a change of name has occurred since the issuance of the current license, the licensee must notify the board of the name change in writing. If a duplicate license reflecting the name change is desired, the current license and required fee must be submitted to the board office.

2. If a change of address has occurred since the issuance of the current license, the licensee must notify the board of the address change. No duplicate license will be issued solely to reflect an address change. Each licensee must notify the board of any change in the licensee's mailing address prior to the expiration date of the licensee's current license.

3. Requests for the current license to be sent to a place other than the regular mailing address shall be forwarded to the executive director.

**I. RULE NUMBER**

Title 4 - Department of Economic Development

Division 220 – State Board of Pharmacy

Chapter 2 – General Rules

Type of Rulemaking: Proposed Amendment

Rule Number and Name: 4 CSR 220-2.010 Pharmacy Standards of Operation

Prepared by the Missouri Board of Pharmacy on March 21, 2002.

**II. SUMMARY OF FISCAL IMPACT**

<b>Estimate of the number of entities by class which would likely be affected by the adoption of the proposed amendment:</b>	<b>Classification by types of the business entities which would likely be affected:</b>	<b>Estimate annual cost:</b>
2	312,000 controlled substance prescriptions dispensed and mailed by mail order pharmacies @ \$1.75 per prescriptions	\$ 546,000
1,283	500,370 controlled substance prescriptions dispensed and mailed by Independent pharmacies @ \$1.75 per prescription	\$ 875,647
	<b>Estimated Annual Cost for the Life of the Rule</b>	<b>\$1,421,647</b>

**III. WORKSHEET**

- Signature Confirmation of Delivery Priority Mail @ \$1.75

**IV. ASSUMPTIONS**

- There are currently 1,298 licensed pharmacies in Missouri, two (2) of which are mail order pharmacies. It is estimated that 1% of the licensed pharmacies in Missouri will not dispense controlled substances ( $1\% \times 1,298 = 13$ ), leaving 1,285 pharmacies who dispense controlled substances.

- Two (2) of the 1285 pharmacies are mail order, leaving 1,283 pharmacies of other classifications who dispense controlled substances.
- Some independent/retail pharmacies in Missouri fill as little as 50 prescriptions per day, while others, such as mail order facilities, fill 6000 or more prescriptions per day. It is estimated that 10% of the total number of prescriptions filled per day in a pharmacy would be controlled substances. The majority of controlled substance prescriptions dispensed from retail pharmacies (excluding mail order) are delivered in person directly to the patient or the patient's caregiver. Mail order pharmacies deliver to the patient, via the use of the U.S. Mail, UPS, or other privately owned delivery services.
- It has been determined that the least expensive way obtain signature confirmation on the delivery of prescriptions is by priority mail of \$1.75.
- It is estimated that 1 pharmacist can fill 100 prescriptions per day. By dividing the number of licensed pharmacies (1298) by the number of licensed pharmacists (4,555), it calculates to approximately 2.9 pharmacists per licensed pharmacy (rounded to 3) multiplied by 100 prescriptions per day would equal 300 prescriptions per day per pharmacy. This would calculate to 78,000 prescriptions per pharmacy per year. It is estimated that 10% of these prescriptions would be controlled substances, i.e., 7,800 prescriptions. It is further estimated that .5% of this total would be delivered by mail or other delivery service. .5% of 7,800 = 390 prescriptions x \$1.75 signature confirmation fee equals \$682.50 per pharmacy x 1283 pharmacies equals \$875,647 annually.
- The board estimates that a mail order pharmacy who dispenses approximately 6,000 prescriptions per day for 5 days a week will dispense approximately 30,000 prescriptions per week resulting in 1,560,000 prescriptions being dispensed per year. It is estimated that 10% (156,000) of these prescriptions are for controlled substances, multiplied by \$1.75 per prescription for signature confirmation, will result in annual cost of \$273,000 per mail order pharmacy. Therefore, this amendment could cost 2 mail order pharmacies an estimated \$546,000 annually for the life of the rule. However, it is possible that some mail order pharmacies are already requiring signature confirmation of delivery and thus the costs reflected here will not be an additional cost to that pharmacy,
- The board does not have any accurate, reliable way to determine either the number of controlled substances dispensed per year, or the number of those controlled substance prescriptions, which are delivered by a U.S. Mail or a private delivery service. Therefore, the statistics used in this fiscal note are the board's best estimates.
- The annual cost to private entities is based on the number of controlled substance prescriptions dispensed and an assumption of delivery by the U.S. Mail for each pharmacy.
- The private entity cost for this proposed amendment is estimated to be approximately \$1,421, 647 annually for the life of the rule. It is anticipated that the total annual cost will recur each year for the life of the rule, however, it may vary with inflation and is expected to increase annually at the rate projected by the Legislative Oversight Committee.

Type of Rulemaking:	Proposed Amendment

**II. SUMMARY OF FISCAL IMPACT**

Affected Agency or Political Subdivision	Estimated Cost of Compliance in the Aggregate
DPS/Office of the Adjutant General	\$2,400,000
DPS/Veterans Commission	50,000
From VET CI Trust Fund/HB 1121	\$2,450,000 Total

**III. WORKSHEET**

All expenditures are estimates, actual costs will vary due to the number of applications received and ceremonies requested. Expense and equipment operating expenses for contract labor, awards, materials, public awareness, miscellaneous expenses \$2,450,000.

**IV. ASSUMPTIONS**

Approximately 435,000 Missourians served in W.W.II. New legislation House Bill 1398 & 1399 authorizes veterans and surviving spouses to apply for the W.W. II recognition awards on behalf of deceased veterans through 1 July 2003.

Veterans Administration statistics assume that there are 200,000 surviving spouses of W.W. II veterans who are eligible for awards. The Office of the Adjutant General is unable to determine the actual number that will apply for these awards or the number of veterans who missed the original award period and will now apply under the extended program. As a result, we estimate that as many as 100,000 new applications may be received. Costs established in this fiscal note is based on this assumption.

Projected expenditures support cost of awards, contract personnel for processing and coordinating ceremonies, public awareness activities, printing, records management, communications, facilities, and other miscellaneous program operation expenses.

The legislature for FY 2003 in House Bill 1121, section 130 reappropriated \$2,510,033 from the Veterans CI trust fund to support public expenditures for this program. Additional FY 03 funding is not anticipated to be required to support this program.

(1) The provisions of this rule are to be used solely for the purpose of implementing section 169.569, RSMo, (hereinafter, all chapter and section citations are to the *Revised Statutes of Missouri* unless otherwise indicated).

(2) "System" or "systems" shall mean one (1) or more of the retirement systems created by Chapter 169 and named in section 169.569.1.

(3) The provisions of section 169.569 and this rule shall apply only to individuals with an effective retirement date after June 30, 2003.

(4) An individual may combine service credit from each of the systems with which the individual has at least five (5) years of creditable service to determine eligibility for normal or early retirement with each of the respective systems. An individual may not combine credit with other credit that is based on the same period of employment.

(5) Prior to receiving a retirement benefit from a system, an individual must comply with all of that system's requirements related thereto. An individual is not required to terminate employment with employers covered by systems from which the individual is not yet receiving a retirement benefit.

(6) Each system will use its own retirement application. All systems will use a uniform Reciprocity Election form.

(7) Each system from which the individual is eligible to retire after combining service credit pursuant to this rule shall pay its own retirement benefit and shall determine the benefit it is to pay to the

individual based only on the service credit the individual has with that system. In the event of a discontinuance of benefits from one (1) system, the individual may continue to receive a retirement benefit from any system for which he or she has not exceeded that system's working after retirement limitations.

(9) Service credit may be combined pursuant to this rule only for the purpose of service retirement eligibility and shall not be combined to determine eligibility for any other benefit payable by any system, including, but not limited to disability, surviving spouse and/or children benefits or minimum benefits.

(10) Notwithstanding the provisions of section (9), if, at the time of death, an individual could have elected to retire by combining credit under this rule, the beneficiary of such member may combine credit under this rule to qualify for benefits pursuant to sections 169.070.3(2)(a), 169.326.3, 169.460.14, or 169.670.4(2)(a).

**Title 10—DEPARTMENT OF NATURAL RESOURCES**  
**Division 20—Clean Water Commission**  
**Chapter 7—Water Quality**

**ORDER OR RULEMAKING**

By the authority vested in the Missouri Clean Water Commission under section 644.026, RSMo 2000, the commission withdraws a proposed rule as follows:

**10 CSR 20-7.040 Comprehensive Risk-Based Groundwater Remediation Rule is withdrawn.**

A notice of proposed rulemaking containing the text of the proposed rule was published in the *Missouri Register* on February 1, 2002 (27 MoReg 235-246). This proposed rule is withdrawn.

**SUMMARY OF COMMENTS:** The major comments or concerns presented at the statewide meetings, during the public hearing before the commission and in written comments include the following:

The concept of the urban groundwater management zone appears to be useful, although there are many concerns about how the zones would be established, such as criteria that are used to define the zone, the amount of characterization to be conducted for the zone, and the timing of the characterization, assessment and other work related to the zone.

Urban groundwater management zones can address a major redevelopment issue and protect human health and the environment, although many did not feel the present form of the rule would facilitate that redevelopment.

Additional contamination that may occur in a zone.

The use of tiered approaches with look-up tables such as in other guidance, or using another state's program as a model.

Whether the current statute provides sufficient authority, boundaries and direction for the rule.

**RESPONSE:** The main reaction to the proposed rule is the draft is a good start, but that it still needs considerable work to result in a productive procedure. Given the apparent need to make substantial changes to the proposed rule, the department will not recommend that the commission proceed to adopt the rule at this time. At this point the department would like to take advantage of the offers from outside parties to meet and revise the draft. Many of those who offered comments also offered to assist in further discussions and development of a revised rule. The commission is withdrawing this proposed rule.

**Title 11—DEPARTMENT OF PUBLIC SAFETY  
Division 45—Missouri Gaming Commission  
Chapter 5—Conduct of Gaming**

**ORDER OF RULEMAKING**

By the authority vested in the Missouri Gaming Commission under sections 313.004 and 313.805, RSMo 2000, the commission amends a rule as follows:

11 CSR 45-5.070 is amended.

A notice of proposed rulemaking containing the text of the proposed amendment was published in the *Missouri Register* on April 1, 2002 (27 MoReg 565-567). Those sections with changes are reprinted here. This proposed amendment becomes effective thirty (30) days after publication in the *Code of State Regulations*.

**SUMMARY OF COMMENTS:** The Missouri Gaming Commission (MGC) received one (1) letter of comment on proposed rule 11 CSR 45-5.070, Payout Percentage of Electronic Gaming Devices. Additionally, a public hearing was held at which individuals/groups were provided the opportunity to express their agreement with or concern about the proposed amendment as written. No one appeared at the hearing.

**COMMENT:** Mr. Vern Jennings, Senior Vice President and General Manager of Harrah's Maryland Heights and president of the Missouri Riverboat Gaming Association (MRGA), submitted the following written comments on behalf of the gaming industry:

The industry understands MGC's intention with this proposed amendment is to standardize and ensure consistency in the posting of slot payback percentages as currently required by 11 CSR 45-5.070. The posting of payout percentages by denomination for each of the prior three months, however, combined with the volatility of overall payout percentages month to month, would be very confusing and misleading to customers and would likely generate complaints and inquiries to the MGC itself. The industry proposes a simple way to resolve MGC's concerns. We (MRGA) propose that we post the "actual aggregate payout percentage" instead of the theoretical. This percentage is consistently determined among the casino operators and is already provided to the MGC on a monthly basis. The casinos would post this percentage at the casino entry and at the front of the main cashier cage by the tenth of the month.

**RESPONSE AND EXPLANATION OF CHANGE:** The MGC agrees the proposed amendment, which could require the posting of as many as 30 or more percentages, could confuse patrons and generate unnecessary inquiries and complaints. Therefore, after consideration of the comments, the commission will amend the rule.

**11 CSR 45-5.070 Payout Percentage for Electronic Gaming Devices**

(1) A holder of a Class A license shall by the tenth day of each calendar month display at the patron entrance to the gaming floor and on the front of the main cashier cage the actual aggregate payout percentage to the nearest one-tenth percent (0.1%) of all the electronic gaming devices in operation during the previous month. The commission may require that Class A licensees display with the actual aggregate payout percentage a reference to the commission Internet website where additional information will be made available on payout percentages by denomination.

**ORDER OF RULEMAKING**

By the authority vested in the Missouri Gaming Commission under section 313.065, RSMo 2000, the commission adopts a rule as follows:

11 CSR 45-30.025 is adopted.

**COMMENT:** Mr. Robert Harris (Bingo Chairman), Doniphan VFW Post 3485, Doniphan, MO, agrees with the proposed rule. He believes that ‘free no charge’ bingo will be good for bingo.

**RESPONSE:** No changes have been made to the rule as a result of this comment.

**COMMENT:** Mr. Dale Robertson, American Games, Inc., agrees with the proposed rule. He believes this would allow bingo halls to competitively compete with other gaming.

**RESPONSE:** No changes have been made to the rule as a result of this comment.

**COMMENT:** The American Legion Post 117, Braymer, MO responded that they are opposed to the proposed rule. Their comment is that they cannot see that the proposal would benefit them in any way.

**RESPONSE:** No changes have been made to the rule as a result of this comment.

**COMMENT:** Mr. Melvin Eickhoff (Bingo Chairman), American Legion Post 338, Overland, MO is opposed to the proposed rule. He states that their organization currently offers free bingo paper to players the week of their birthday. The rule would not allow them to do this any longer. Recently, the organization has introduced various promotional programs in conjunction with bingo. This rule change would be another setback to their operation and they believe it would be detrimental to all small and struggling bingo operations across the state.

**RESPONSE AND EXPLANATION OF CHANGE:** The Missouri Gaming Commission’s Bingo Division has considered this comment and decided to make a change in the proposed rule to section (1).

**11 CSR 45-30.025 Bingo Promotions**
